Re: Tentative Agreement

Dear Brothers & Sisters,

The Union and the Company have entered into a Tentative Agreement for a replacement Collective Bargaining Agreement prior to the midnight expiration.

The Union and the Company will finalize a few items early next week in order to present the comprehensive agreement to the Executive Committee for a vote to bring the contract to the members for a ratification vote, per the by-laws.

Upon the approval of the Executive Committee, the Union plans to hold a mass meeting to inform the members on everything that is included in the final package. The details of the meeting, including date, time, and location, will be disseminated as soon as they are finalized.

We thank all of our members for their continued support and acts of solidarity. We also appreciate your patience.

Please continue to visit our Facebook page (www.facebook.com/LocalG555/) & website (www.G-555.com) for additional information as we go through the approval process.

Fraternally Yours,
The Local G-555 Negotiating Team
