Re: Contract Negotiations

Dear Brothers & Sisters,

The Union and the Company have completed another busy week of negotiations towards a new Collective Bargaining Agreement. Proposals and counter-proposals continue to be passed and considered by both the Company and the Union dealing with Active Member Benefit Plans, Retiree Benefit Plans, Contract Language, etc. Progress continues to be made on all of the items that you, the Members, let us know were of the utmost importance in our Member Contract Survey. There is still work to be done before we have a contract that we feel is fair and equitable to our membership. We need to stay united now more than ever as we continue to fight for our Members and your families.

Please continue to visit our Facebook page (www.facebook.com/LocalG555/) & website (www.G-555.com); the only places to get accurate updates from your Negotiating Committee.

Our BARGAINING STRENGTH is in our UNITY!

Fraternally Yours,

The Local G-555 Negotiating Team
