

Whether you're retiring soon or later on, now's a good time to start preparing for your life after work.

What You Can Do Now

- Review the retirement information and policies on Alight Worklife® at <https://digital.alight.com/enbridge> [\[digital.alight.com\]](https://digital.alight.com).
- Consider your retirement goals and when you'd like to stop working.
- Use the Projection page in [UPoint \[aura.alight.com\]](https://aura.alight.com) to check that your income goal is on track.
- Understand your health and other insurance options.
- Learn about taxes and income sources (including Social Security).
- Review your beneficiaries.
- Review your applicable savings plan and pension payment choices.
- Consider rolling over any of your benefit.
- Get help from the [Financial Education Center \[aura.alight.com\]](https://aura.alight.com).

When You're Ready to Retire

- At least 3 months before your retirement date, notify your manager and Human Resources representative if you are still actively employed.
- Go to the [Social Security Administration website \[socialsecurity.gov\]](https://www.socialsecurity.gov) to learn about Medicare and apply for benefits.
- Talk with a retirement specialist. Specialists are available at **1-866-228-0289** between 9:00 a.m. and 4:00 p.m., Eastern Time, Monday through Friday.
- Start the retirement process on Alight Worklife® at <https://digital.alight.com/enbridge> [\[digital.alight.com\]](https://digital.alight.com). Once you start the process, you can track the status using the status tracker on the Alight mobile app or on the website.
